

HIUG AGM 2010

The HealthOne AGM returns this year to Munster, and we are pleased to announce that it will be held in the splendid Strand Hotel in Limerick City; convenient by road, train or air, so you've really no excuse for missing it! The theme of this year's conference is:

"What we do, and what's new"

The attached programme outlines a series of workshops which aim both to demonstrate the full range of practical features that already exist in your HealthOne, as well as introducing new features to be released in our next update. We also intend to showcase our new website which we hope will be a major asset for all in the future.

The AGM is also an increasingly popular opportunity for a mid-term break for doctors and staff alike, both to socialise and learn more about HEALTHone™ in practice.
