

" Audit 8t "

Head on down to the [HealthOne AGM](#) and find out
How Audit is made easy with HealthOne *and*
Earn up to 8 hours external credits just by being there!

Through a series of audits of different complexities,
it will be demonstrated how to

- ❖ keep your records up to date and accurate
- ❖ sort and retrieve information

so that your HealthOne will leave you set up for Audit
(and much more that may be coming your way...)

However if audit isn't your thing....

Well, there will always be something else on offer.

And finally,

is 21!

We hope that you'll find audit to be so easy that you can
join us for our "twenty-first" celebrations at

Hotel Minella, Clonmel
November 12 & 13, 2011
